## SECTION II

## COMMENTS (From Original Addressee)

TO : LEGISLATIVE COUNSEL  
OFFICE OF GENERAL COUNSEL

FROM:  
Office of the Chief, Medical Staff

This bill implements one of the recommendations of the Hoover Commission.

The Medical Staff is in general agreement in the subject pending legislation (S. 2405). However, it is pertinent to note that security factors would make complete support of a Federal Advisory Council of Health impractical.

Further action on the part of the Agency at the present time is not recommended.
